**Gallarie d'Orient Ltd** is proud to introduce India based **Kaarau** Collections as part of our Asian Lifestyle range.

**Kaarau** Collections was established in 1999 in Delhi, India and has quickly grown to supply high quality, design inspired furniture, lighting, home décor accessories and leather gift items to wholesale and retail customers globally.

**Kaarau** specializes in the creation of home décor items in leather and exotic combinations of textiles with leather accents. The Kaarau team of in-house designers and contracted international designers bring out collections which reflect constantly updated trends in the international market.

The force behind **Kaarau** Collections is the Vig family, whose dedication to service, on-time delivery and flawless quality is a hallmark of the company. Founded by Mr Mohan Vig with six workers, today the company boasts full manufacturing services in leather with wood and stainless steel and has over 210 skilled workers.

Our commitment to superb styling and quality means we are constantly striving to motivate our staff towards giving their best with ongoing skill training and support.

**Kaarau** is now an international supplier and to ease contact with our many clients we have showrooms set up in **India** and **Hong Kong**, and we welcome trade enquiries to either of our offices all year round.

We welcome enquiries from hoteliers and retailers, trade, wholesalers, designers, and contractors. Please feel free to browse our websites and to contact us with any comments or enquiries.
